Singles Travel Experience- This special trip offering offers an excellent value for our single traveler. We have partnered with other singles vacation companies to assure that we have a diverse and large enough group to merit a travel host and have planned on having one if we have at least 20 singles booked.

We have the whole bus reserved for our singles so please sign up early to reserve your space.

In the event that we have less than 20 guests, the tour may not be exclusively single but that's no reason not to take advantage of this incredible opportunity as the group will have a professional, local tour director lead the program. In addition, we'll have one of our travelers act as a 'first day activity person' to make sure our singles meet each other.

Final documents are sent approximately 10-12 days prior to the trip with lots of great information and also the names of fellow travelers, where to meet, hotel contact addresses, etc.
